

**MARITIME FIRE CHIEFS' ASSOCIATION  
MEMORIAL SERVICE FORM**

**PO BOX 6, DARTMOUTH NS B2Y 3Y2**

The Memorial Service has long been a tradition with the MFCA Conference. It honors the commitment and service of active members who have passed away. This forms an integral part of our annual conference, and the success of this service is carried forward throughout the remainder of the conference.

In order to ensure that all deceased members are recognized during the memorial service, the MFCA Executive Director will prepare a list of all deceased members and provide it to the Organizing Committee prior to the Memorial Service.
